

**Shuttle ICE Genie3 (PM65) -
Heatpipe cooling system for SG41J1/J4**

The heatpipe cooling system Shuttle ICE Genie3 (PM65) is an optional accessory for Shuttle's XPC Barebone SG41J1 / SG41J4. Users can purchase this accessory as a more efficient solution than the cooling fan which is included with the Intel boxed CPU. This ICE (Integrated Cooling Engine) technology enhances silence, stability, cooling effects and enables a comfortable working / entertaining environment.
